ESPIONAGE - R  
(Bureau file 65-59242)

During the course of a search of subject's home on Cayuga Heights Road, Ithaca, New York, a postcard, postmarked 11-30-49, at New York, was located. It had the name JOE THORNTON, 247 East Broadway, Long Beach, New York, as a return address. The message on the postcard is as follows:

11/22/49

"Dear Al,

Here's the info you requested Soc. Sec. # 134-09-8255. Exemptions - three (3). Hope your business is fine and increasing all the time. Do you want me to run an ad in the New York Times for you?

"I'd like a statement after January 1st so that I can file my tax report at the earliest possible date.

"Suppose WALLY (believed to be WALLY WIGGINS, a painter employed by SARANT) is a proud Papa by now! JOE (believed to be JOSEPH INTERMAGNET) is no doubt selling gallons of Waterlox Paint. But TOM (believed to be DONALD BARNETT, an employee of SARANT'S) is still old reliable.

"Long Beach is very nice, but how the brucos do blow! School is good, be glad when it's over. Hope to see you in June when I'm supposed to graduate. Love to all. /s/ JOE"

New York is requested to locate and interview THORNTON concerning the subject and other persons in the ROSENBERG ring. He should also be questioned concerning the ad in the New York Times mentioned on this postcard.

ESPIONAGE - R  
(Bureau file 65-59242)

During the course of a search of subject's home on Cayuga Heights Road, Ithaca, New York, a postcard, postmarked 11-30-49, at New York, was located. It had the name JOE THORNTON, 249 East Broadway, Long Beach, New York, as a return address. The message on the postcard is as follows:

11/29/49

"Dear Al,

Here's the info you requested see. Sec. of 134-09-~~Exemptions~~ - three (3). Hope your business is fine and increasing all the time. Do you want me to run ad in the New York Times for you?

"I'd like a statement after January 1st so that I can file my tax report at the earliest possible date.

"Suppose WALLY (believed to be WALLY WIGGINS, a painter employed by SARANT) is a proud Poppa by now! JOE (believed to be JOSEPH INTERMACCIO) is no doubt selling gallons of Waterloo Paint. Bet DON (believed to be DONALD BROWNIE, an employee of SARANT'S) is still old reliable.

"Long Beach is very nice, but how the breezes do blow! School is good, be glad when it's over. Hope to see you in June when I'm supposed to graduate. Love to all. /s/ JOE"

New York is requested to locate and interview THORNTON concerning the subject and other persons in the ROSENBERG ring. He should also be questioned concerning the ad in the New York Times mentioned on this postcard.

[REDACTED] Westport, N.Y. were interviewed and records examined. [REDACTED] the account of the subject's father N.C. SARANT and the son in law, JOEL JAYSON. The father operates an insurance business and the son in law operates a used car business. Neither account (checking) showed any checks for the month of August 1950 that might be a payment to the subject or to CAROL DAYTON, the woman supposed to be with the subject.

[REDACTED] (b)(7)(D)  
[REDACTED] indicated that GEORGE SARANT, or that one of the subjects, made a great deal of money in the last several years. [REDACTED] stated that he would not trust GEORGE SARANT and felt that all of his money had been gotten through some illegal means. He pointed out that GEORGE had built the big show room and gotten plenty of new cars during the time that no one else could get materials or cars.

[REDACTED] Meadowbrook Bank, Merrick, N.Y. (b)(7)(D)  
[REDACTED] has had the accounts of George and Etta Sarant at this bank for 12 or 15 years. He knew nothing unethical about them, but indicated the Sarants were very shrewd business people, particularly GEORGE SARANT. He did not know the subject. All of GEORGE SARANT'S checks for August were examined and nothing showed that appeared to be any kind of a payment to the subject or to CAROL DAYTON.

[REDACTED] Baldwin National Bank, Baldwin N.Y. (b)(7)(D)  
[REDACTED] examined his records and stated that no one named SARANT or JAYSON had any kind of account at his bank.

[REDACTED] Peoples State Bank, Baldwin, N.Y. after (b)(7)(D)  
examining her record stated that N.C. SARANT had a savings account at this bank amounting to \$1101.75 and that only deposits had been made to this account.

SARANT ALSO ADVISED THAT ROSENBERG SOUNDED HIM OUT POLITICALLY BUT WOULD NOT FURTHER EXPLAIN THIS STATEMENT. SARANT DENIES ANY KNOWLEDGE OF OR IMPLICATION IN SOVIET ESPIONAGE. IN SUMMARY, MAX ELITCHER PLACED SARANT IN ROSENBERG GROUP. GREENGLASS TOLD OF APARTMENT USED BY ROSENBERG FOR ESPIONAGE PURPOSES, GREENWICH VILLAGE, NYC. SARANT AND BARR SHARED APARTMENT IN GREENWICH VILLAGE, WHICH WAS USED BY OTHER MEMBERS OF ROSENBERG GROUP AND VISITED BY ROSENBERG. BARR AND SARANT HAD PHOTOGRAPHIC EQUIPMENT. SARANT IN INTERVIEW WITH BUREAU AGENTS ADMITS CP MEMBERSHIP AND ADMITS CONTACTS WITH ROSENBERG. SARANT ONCE ADMITTED THAT HE WAS "PROPOSITIONED" BY ROSENBERG BUT WOULDN'T EXPLAIN THIS STATEMENT AND ADMITS THAT ROSENBERG FELT HIM OUT POLITICALLY, WITHOUT FURTHER EXPLANATION. GREENGLASS STATED THAT ROSENBERG FURNISHED FUNDS AND INSTRUCTED HIM TO FLEE TO MEXICO. MORTON SOBELL WENT TO MEXICO. WILLIAM PERL PROPOSITIONED BY VIVIAN GLASSMAN FOR FLIGHT TO MEXICO. SARANT HAS NOW GONE TO MEXICO. THE ABOVE CIRCUMSTANCES STRONGLY INDICATE THAT SARANT WAS A MEMBER OF THE ROSENBERG ESPIONAGE GROUP. HOWEVER, IT APPEARS THAT INSUFFICIENT INFORMATION AVAILABLE FOR PROSECUTION OF SARANT FOR ESPIONAGE. HOWEVER, SERIOUS CONSIDERATION SHOULD BE GIVEN TO IMMEDIATELY OBTAINING EVIDENCE OF INTIMACY BETWEEN SARANT AND CAROL DOROTHY DAYTON AND THEN OBTAINING WARRANT FOR SARANT BASED ON HIS INTERSTATE TRANSPORTATION OF CAROL DAYTON FOR IMMORAL PURPOSES. THIS CASE WOULD APPEAR TO WARRANT PROSECUTION UNDER WSTA BASED ON AGGRAVATED CIRCUMSTANCES OF MARRIED PERSONS DESERTING YOUNG CHILDREN. BOTH SARANTS AND DAYTONS HAVE TWO CHILDREN. CAROL DAYTON MIGHT THEN BE HELD AS MATERIAL WITNESS. IT IS

MEMO:

Re ALFRED SARANT;  
ESPIONAGE - R

Re Albany teletype, 2:53 p.m., 7/28/50.

The following is the results of the investigation conducted by Special Agent (A) EDWARD J. CAHILL at the Manufacturers Trust Company Branch Office, 74 Street and First Avenue, New York City:

[REDACTED]  
advised that a special checking account, number 1137, was opened here on March 20, 1942, in the name of LOUIS or ESTHER S. BRANDT, 32 East 64 Street. BRANDT also furnished the address of 521 East 72 Street, New York City, telephone BU 8-7362. 070

On May 22, 1944, \$3,303.75 was transferred from this account to be used in opening a regular checking account at this same Branch in the name of LOUIS or ESTHER S. BRANDT. The account number 1137 was closed on June 14, 1944.

BRANDT  
The Signature Card for the regular checking account showed 521 East 72 Street as their address. Under the question "Business," BRANDT had inserted the word "personal," with the telephone number BU 8-7360. The account was closed on February 10, 1949, due to LOUIS BRANDT'S death.

[REDACTED] advised that LOUIS BRANDT had been affiliated with JOSEPH BRANDT and Brothers, Incorporated, 521 East 72 Street, New York City, manufacturers of millinery, novelties, and fabrics. [REDACTED] said he didn't know what connection LOUIS BRANDT had with the firm, but believed he held an advisory position, as he recalled BRANDT could not sign checks on this firm's account; and to [REDACTED] this appeared as though he was not a member of the firm. However, [REDACTED] suggested that ISADORE ENOEL, who was, and still is, head of JOSEPH BRANDT and Brothers, Incorporated, be contacted for further information relative to LOUIS BRANDT. 070 670

MEMO,  
NY 65-15360

Enclosed with this memo are the work papers of the writer for both the special checking and the regular checking accounts. These work papers show all checks drawn on, and deposits made to, both of the above-mentioned accounts.

The Manufacturers Trust Company does not photograph checks drawn on the customers' accounts at this bank.

Special checking account number 1137 was examined, and all deposit tickets of \$100 or more were reviewed for any pertinent information they may have contained.

Regarding the regular checking account, all deposit tickets were examined, and all the available information was listed on the work papers. It should be noted that frequently the tellers made no notations on the deposit tickets relative to the transit numbers of the checks being deposited. Therefore, numerous items deposited in this account could not be identified as to source. *relates to bank on which the items were drawn*

JOSEPH BRANDT and Brothers, Incorporated also maintain a regular checking account at this bank, and all items deposited in LOUIS BRANDT'S regular account which were not otherwise identified were compared with the checks charged to the JOSEPH BRANDT account, in an attempt to determine if they had been issued by the corporation. Where items of like amount appear in both accounts, they have been noted on the work papers. These items have been identified in the explanation column with a "B", together with the date they appear in the charges to the JOSEPH BRANDT account. For example, on page 1 of the writer's work papers under the date May 26, 1944, a \$103.55 check is listed. Alongside this item appears B-~~May~~, which indicates that a \$103.55 item was charged to the JOSEPH BRANDT account on May 27, 1944.

*Handwritten: Louis Brandt*

It is recommended that consideration be given to contacting JOSEPH BRANDT and Brothers, Incorporated, to determine LOUIS BRANDT'S connection with this firm, his financial interest in, and receipts from this firm. In this way it may be possible to identify some of the deposits and withdrawals shown in LOUIS BRANDT'S account and not otherwise identified. It is to be noted that there are numerous large cash deposits to his account. Consideration should also be given

MEMO

NY 65-15360

to the fact that the estate of LOUIS BRANDT may not have been settled yet, and BRANDT'S books may be still in the hands of his executor, where they might be examined to determine his sources and disposition of funds.

On February 4, 1948, a \$20,000 certified check was issued against the account of JOSEPH BRANDT and Brothers, Incorporated. Then on February 5, 1948, a \$20,000 certified check was deposited in LOUIS BRANDT'S account, which appears to indicate that he was receiving large sums from this firm.

On BRANDT'S bank statement of February 1948, his address was changed to 1230 Park Avenue, New York City. Then on the statement of June 1948, his address was listed as Hyde Park Hotel, 25 East 77 Street, New York City.

The above information is not to be made public except in the usual proceeding following the issuance of a subpoena duces tecum.

On August 31, 1950 I called Mr. Loughlin at the Bureau in the absence of Inspector Belmont and Heinrich and advised that MYLES LANE, AUSA, had just contacted the office and informed us that he had received a call from the Department instructing him to contact this office to obtain information in reference to SARANT for consideration as to whether or not prosecution could be instituted. I advised Mr. Loughlin that we would orally furnish the known facts to LANE. It was requested that the Bureau identify the reports in the SARANT case which they have furnished to the Department and give us authorization to furnish these reports to LANE.

On September 1, 1950 Mr. Heinrich called and gave us the authorization to furnish AUSA Myles Lane with whatever reports and memoranda we have pertaining to SARANT, in particular, the report of Maxson dated August 7, 1950 covering the interview; SA Royal's report dated 8/7/50. Mr. Heinrich further advised that SARANT made a plane reservation under the name of DAYTON, and it is believed that he may be traveling in Mexico under this name. The abovementioned reports have been furnished to the Department.

Re: ALFRED EPAMINONDAS SARANT;  
ESPIONAGE - R

As set forth in the administrative section of the report of Special Agent ROBERT F. ROYAL, dated at New York, August 7, 1950, it has been determined that two toll calls were made from ALFRED SARANT'S apartment 6-I, at 65 Morton Street, New York City; telephone, Watkins 4-1927, in the early part of 1949.

Confidential Source [redacted] has advised that these calls were made to Yonkers 33862, listed to HERBERT M. COLE, 122 Caryl Avenue, Yonkers, New York. *070*

Investigation concerning the above calls has reflected that they were possibly made by either MAX PINESTONE or JAMES WEINSTEIN, who now reside at 418 East 9th Street, New York City, and were probably made to HERBERT M. COLE'S daughter, BARBARA ALICE COLE, also known as Mrs. BARRY FEIDEN.

Before the above information was developed, a request was made for a check of toll calls made from HERBERT M. COLE'S phone for the past two years, and these were obtained by Special Employee WILLIAM STAPLETON on August 11, 1950. STAPLETON ascertained that toll calls from a Yonkers exchange were only retained for a six-month period. He obtained tolls charged since March 1, 1950, and found that there had been approximately 70 different numbers called and six telegrams charged to COLE'S number. A request has been submitted by the writer for the contents of the six telegrams, in view of the fact that telegrams are destroyed after a six-month period. However, no attempt is being made at this time to ascertain the identity of the subscribers to the 70 telephone numbers, as calls made from COLE'S residence do not appear pertinent at this time.

The list of toll calls obtained by Special Employee WILLIAM STAPLETON is being retained in the exhibit section of this file. *65-15360-345*

Re: ALFRED EPAMINONDAS SARANT;  
ESPIONAGE - R

As has been previously reported, information was received from Confidential Source [redacted] that on February 15, 1949, a collect toll call was made from the R. MARS CONTRACT COMPANY, Baltimore, Maryland to WALTER LINDAUER, or LINDNAUR, at Watkins 4-1927, which was the telephone of ALFRED SARANT at Apartment 6-1, 65 Morton Street, New York City. The information received indicated that LINDAUER was not present at the apartment at the time the call was received, and the call was accepted by someone named SHWAYDER, 601 West 26th Street, New York City.

070

The New York indices contained no information concerning the R. MARS CONTRACT COMPANY. The current Manhattan Telephone Directory indicated that this company had an office at 521 Fifth Avenue, New York City; telephone, Murray Hill 7-6242.

The current telephone directory also indicated that an individual named WALTER LINDAUER, 640 Riverside Drive, New York City, had telephone WAdsworth 6-4360.

On August 2, 1950, Special Employee WILLIAM STAPLETON ascertained [redacted] that LINDAUER'S phone was installed on January 8, 1947, and he was employed as a salesman by SHWAYDER BROS., INC. of Detroit, Michigan and Denver, Colorado, and that he had a bank account at the Manufacturers Trust Company, 14th Street and Broadway, New York City.

070

The current Manhattan telephone directory contains a listing for SHWAYDER BROS., INC., 629 Grove Street, Jersey City, telephone, Whitehall 3-0668.

A check of the New York indices reflected no pertinent information regarding WALTER LINDAUER (LINDNAUR), telephone number, WAdsworth 6-4360, or SHWAYDER BROS., INC.

The current Manhattan Address Directory disclosed that 601 West 26th Street was the Starrett Lehigh Building, which is a large building having many manufacturing concerns as tenants, but there was no telephone listed at that address for SHWAYDER BROS.

On August 14, 1950, Confidential Source [redacted] advised that SHAYDER BROS., INC. of Denver, Colorado and Detroit, Michigan, formerly had an office at 1050 South Broadway, New York City, and that this company was a manufacturer of luggage and hand trunks, folding tables and folding chairs. The source stated that the company had been in business since 1902, and was one of the leaders in its field in the United States, having the tradename SAMSONITE on luggage, and SAMSON on tables and chairs. [redacted] checked the records of [redacted] available at [redacted] office, and stated that they indicated that the H. KARS CONTRACT COMPANY, Washington, D. C. office, had done \$13,680.00 worth of business with the factory of [redacted] in the calendar year of 1949. 070

[redacted] did say that there had been many calls from the [redacted] representatives in New York to the [redacted] offices. [redacted] described [redacted] as arrogant, bossy, and a person who did not seem to like anyone who would stand up to him. [redacted] stated that [redacted] traveled constantly for the [redacted] company, even while he was in charge of the [redacted] offices. 070

The only other information [redacted] was able to provide concerning him was that his second son was born May 4, 1950.

[redacted] was asked if [redacted] recalled the telephone number of the SHWAYDER BROS. company at 601 West 26th Street, and [redacted] advised that it was Watkins 4-1427. 1370

On August 18, 1950, Special Agent F. X. O'DONNELL contacted [redacted] to determine if there had possibly been an error in the information that the Baltimore call from [redacted] had been made to SARANT'S phone, Watkins 4-1927 due to the similarity of the numbers of [redacted] New York City, [redacted] 070

Special Agent O'DONNELL advised on the same date that [redacted] stated that there had been an error and that the call was actually made from Baltimore to Watkins 4-1427. Information was received that the clerk who had filed the toll charge in SARANT'S toll call file at the New York Telephone Company could be excused for having read it as 4-9217 due to the illegibility

Memo  
NY 65-15360

of the writing on the toll slip. In fact, the operator had circled the number, apparently for that reason, and had decided that it was a 9 instead of a 4. O'DONNELL stated that the [redacted] at the Telephone Company had personally examined the slip and that it was definitely 4-1427. O'DONNELL also determined that Watkins 4-1427, listed to SHWAYDER BROS., INC., at 601 West 26th Street, was discontinued September, 1949. 1370

In view of the above information concerning the error, immediate steps were taken to have all investigation concerning [redacted] discontinued. However, in view of the fact that arrangements had been made with [redacted] for an interview, he was contacted on August 19, 1950 by Special Agent ROBERT F. ROYAL, at his residence, [redacted]. He advised that he did not know anyone who had ever resided at 65 Norton Street, Greenwich Village, New York City. Photographs of ALFRED and LOUIS SARANT were exhibited to him, with negative results.

In addition, he was exhibited photographs of other individuals connected with this investigation, and was questioned as to any knowledge that he might have, with negative results.

MAX FINESTONE

Re Albany letter to Bureau, 8/8/50.

The name of MAX FINESTONE, ALP, 315 8th Avenue, 210 West 21st Street, New York City, telephone number Chelsea 3-2964, appeared in subject's "Bates List Finder".

Mrs. ALFRED SARANT advised on interview that FINESTONE was in the Merchant Marine in 1944 and 1945 and had visited the SARANTS frequently at 65 Eorton Street, New York City. She said that since his parents reside in Ithaca, New York he had moved frequently between New York and Ithaca and she had been acquainted with him for many years. She stated she believes that he lives in New York City at the present time and is working on a "television survey". She said that she did not know his residence address or the name of his employer.

The files of the Albany Office reflect a report by a member of the New York State Police in 1941, to the effect that MAX FINESTONE was one of the persons who attempted to organize the American Peace Mobilization on the campus of Cornell University, Ithaca, New York.

Albany Confidential Informant [redacted] of known reliability, advised that MAX FINESTONE of Ithaca, New York attended a Communist Party convention held on June 26 and 27, 1948 at Buffalo, New York. FINESTONE gave a report on the progress of the CP at Ithaca.

An anonymous source advised SA Dan J. Sullivan on 9/5/50 that MAX FINESTONE held 1947 CP membership card #43554.

The files of the New York State Department of Placement and Unemployment Insurance reflect that MAX FINESTONE was employed by ALFRED SARANT in 1949 or 1950 as a painter. His address was given as 418 East 9th Street, New York City.

The current Manhattan Address-Telephone Directory reflects that MAX FINESTONE resides at 418 East 9th Street, New York City, and that his telephone number is Gramercy 5-2146.

The files of the New York Office reflect the following information pertaining to MAX FINESTONE, in addition to the information previously set forth as furnished by the Albany Office:

On 5/20/46 Confidential Informant [redacted] advised SA E. G. Burke that the name of one M. FINESTONE appears on Page 37 of a souvenir program for the VALB--15th Anniversary of the Spanish Republic, under the caption, "Greetings from New Yorkers".

On 12/23/47 Confidential Informant [redacted] advised SA E. E. Deane that one MAXWELL FINESTONE, born 1922, was a member of Lodge No. 718, IWO, New York City, as of December, 1946. The informant further advised that in FINESTONE'S name there appeared the notation "Suspended".

In the 8/10/45 issue of "The Pilot", a national paper for maritime workers, there appears on Page 9 a sub-heading of "ALP Rallies on Seamen's Pay". This article states: "Rallying the ALP membership behind the wage campaign is MMU'ers MAX FINESTONE, Executive Secretary of the 3rd A.D. Club of the American Labor Party."

"At the time of the convention brother FINESTONE, speaking for the ALP club, sent a letter to the national officers and the delegates, which said that the members of the ALP considered their threatened wage cut an outrage and pledged all possible assistance. The letter read in part:

"We consider it an outrage that you who were among the first to offer your lives in the fight against fascism should be the first to feel the knife of wage reduction. It is especially indicative of your farsighted policy that even under this provocation your present convention unanimously voted to continue the no-strike pledge." The letter was also signed by HARRY V. BROWN, Chairman of the club.

"Showing that the pledge of assistance was no idle gesture, brother FINESTONE followed up his promise by sending strong letters in the name of the ALP club to FRANK J. TAYLOR, Chairman of the AMU, Captain EDWARD MAC AULEY, Chairman of the Maritime War Emergency Board, Admiral EMORY S. LAND, Chairman of the U. S. Maritime Commission, and GEORGE W. TAYLOR, Chairman of the WLB. The letters stressed that the cut in the seamen's take-home pay was a threat to the successful prosecution of the war against Japan."

MEMO  
NY 65-15369

Photographs of MAX WINSTONE have been exhibited to DAVID GREENGLASS and MAX KLITCHER by SAs Leo H. Frutkin and James T. O'Brien, respectively, with negative results.

Photographs of MAX WINSTONE have also been exhibited to [redacted]. They could not make a positive identification. However, they stated that the photographs resemble that of an individual who assisted WILLIAM PERL, WELDON BRUCE DAYTON and another individual, whose identity is unknown, in moving furniture from SARAH'S apartment at 65 Morton Street, New York City, in the latter part of January, 1950.

[redacted] have previously described the individual, who they now state may be identical with MAX WINSTONE, as white, approximately 30 years of age, 5' 9", heavy set, medium complexion, dark hair—a little bald in front, tortoise shell glasses, and wore an Army field jacket, believed to be of khaki material.

[redacted] advised that the only other thing that they recalled pertaining to this individual was when [redacted] saw DAYTON, and the unknown individual described immediately above, carrying the bottom half of a studio couch out of the apartment building. These men were going toward the Morton Street entrance. [redacted] said that [redacted] told them that it would be closer to the street by another way but they ignored him. He said that later another tenant, whom he could not recall, told him that he saw these men carrying the couch toward Seventh Avenue. [redacted] said that this seemed to him to be an indication that they had no car and that they were only going close by.

The following investigation was conducted by SA Herman G. Littlejohn and the writer on 8/21/50:

[redacted] New York City, and who resides in [redacted] in this building, advised that individuals by the name of WINSTONE and WEINSTEN currently reside in Apartment B-2 in this building. He advised that MAX WINSTONE leased this apartment in December, 1949 and [redacted] for the [redacted]. He stated that the [redacted]

[redacted] Long Island, telephone [redacted] could probably furnish information pertaining to the lease of this apartment.

MEMO  
NY 65-15744

[redacted] further advised that this apartment had been used by a number of different men and that he had observed mixed groups of Negroes and whites entering or leaving this apartment on occasions.

He further advised that a Mr. LONGYEAR had formerly resided in Apartment B-2 and that he has moved to Falmouth or East Falmouth, Mass. and that he [redacted]

[redacted] In addition to this information furnished above, [redacted] stated that LONGYEAR was employed as a high school teacher.

[redacted] stated that although he realized that there were three names on the mail box, BERNSTEIN, WEINSTEIN and FINESTONE, he did not know the identity, or have any information pertaining to the individual named BERNSTEIN. *(He said he believed Longyear's wife married someone Bernstein)*

[redacted] further advised that he believed JAMES WEINSTEIN had a 1949 Buick convertible, which was either black or dark blue in color, and that WEINSTEIN had alleged to him that he was attending some law school in the New York City area.

[redacted] was questioned as to whether he had observed the moving of furniture into this apartment in January, 1950, and answered by relating that he recalls three separate occasions when several pieces of furniture were moved into the apartment. However, he does not recall whether this furniture was moved into the apartment by a station wagon or any type of hauling truck.

[redacted] also advised that there seems to be some connection between the tenants in Apartment B-2 and the tenants in Apartment A-1. He stated that two women by the name of MIRANDA, who is a kindergarten teacher, and DE MAURIAO, who is also possibly a teacher, are the tenants of Apartment A-1.

MAX FINESTONE was interviewed on the evening of 8/21/50 by SA Littlejohn and the writer at his apartment. Also present in the apartment on this evening was an individual who identified himself as JAMES WEINSTEIN. FINESTONE stated he shared the apartment with WEINSTEIN. Prior to the beginning of this interview the interviewing agents asked FINESTONE if he preferred to be interviewed in the presence of WEINSTEIN, or did he prefer

MEMO  
NY 65-15360

to arrange another interview at which WEINSTEIN would not be present. He stated that it was perfectly all right for WEINSTEIN to be present, and WEINSTEIN excused himself and went into the other room.

FINESTONE stated that he knew SARANT. However, he did not wish to discuss with the interviewing agents SARANT or any other matter until he consulted an attorney. He advised that he was not currently employed. However, he had been working on a market research project. He declined to advise as to the nature of this project or by whom he was employed.

FINESTONE stated that he preferred not to discuss this matter and made this very significant statement in this regard: "You know why you're here and I know why you're here, so why should we kid each other."

SA Littlejohn telephonically contacted MAX FINESTONE on 8/22/50 at 1:10 P.M. FINESTONE stated that he planned to see an attorney that day and he would make a decision as to whether or not he would discuss this matter with the interviewing agents. He stated that he would recontact the agents in the event he so desired to furnish any information pertaining to this matter. It is to be noted that FINESTONE has not recontacted the office and that no further attempt is being made to recontact him pertaining to this matter.

The current Manhattan Address-Telephone Directory reflects that there is a telephone listing for Miss G. G. MIRANDA, Oregon 7-6809, at 115 East Ninth Street, New York City.

It is to be noted that it is now believed that MAX FINESTONE'S refusal to furnish information may possibly be due to the fact that he wishes to protect SARANT or that he may be involved in this matter and that he believes the safest course for him to follow is to furnish no information.

Investigation pertaining to FINESTONE'S background is being conducted and in the event it appears likely that FINESTONE may be a subject in the ROSENBERG apparatus a separate case file will be opened.

On 8/31/50 SA Littlejohn and the writer discussed FINESTONE'S refusal to furnish information to the interviewing agents with Eyles J. Lane, Chief Assistant USA, SDNY. Lane indicated that he would call FINESTONE as a witness before the grand jury in the near future.

Examination requested by:

Reference:

Letter dated 8/24/50

Examination requested:

Document

Specimens:

1E Sheet of wrinkled paper containing typewriting specimens taken from a Royal Standard typewriter, serial 6171676-5, Sarant.

## Results of examination:

A definite conclusion could not be reached as to whether or not the typewriting on specimens Q7 and Q8 was prepared on the typewriter used to prepare specimen 1E, because of variations which could not be accounted for on the basis of the known specimens furnished for comparison. It is possible that these variations could be due to the present condition of the ribbon on the known typewriter and also to the fact that some of the letters on the typewriter are dirty and therefore clear impressions are not made of these particular letters.

In order to make possible a more adequate examination, it is suggested that several samples of the full text of specimens Q7 and Q8 be prepared on the known typewriter represented by 1E using the ribbon now in the typewriter. It is then suggested that the type letters "o", "e", and "a" be carefully brushed clean with a typewriter brush. The old typewriter ribbon should then be replaced with a new ribbon and again several samples of the full text of Q7 and Q8 should be prepared. It is further suggested that the original specimens, Q7 and Q8, be returned to the Laboratory, if still available, when additional known specimens prepared in the manner described above are submitted for comparison.

2 - New York

Page one

continued next page

It was concluded that the typewriting on specimens Q7 and Q8 was not prepared on any of the typewriters included with specimens K12 through K17 which are typewriter specimens obtained from typewriters belonging to VICTOR K. P. ROUS, JR., JUNE B. ROUS and E. ROUS LAYTON submitted by your office in connection with the MURKIN SCOTCH case.

It was concluded that the handwriting on Q7 was not written by HENRIETTA SAVAGE, KCS Bureau file 65-59312 or by MICHAEL SIDOROVICH, KOL Bureau file 65-59294.

NY/aw No conclusion could be reached whether the handwriting on Q7 was written by VIVIAN GLASBEY, KOL, Bureau file 65-59324, because of variations which could not be accounted for on the basis of the available known writing of this individual. In order to make a further comparison of the handwriting on Q7 with the known writing of VIVIAN GLASBEY, it will be necessary to submit additional writing known to have been prepared by VIVIAN GLASBEY. If possible pencilled writing should be obtained which has been written around the year 1946.

The evidence is retained.
